### Advice

An excursion to *grotta di Tiberio* in the archeological area of Sperlonga (see <https://goo.gl/D01EjT>) will be offered at no cost to all participants to the conference and their accompanying people for the afternoon of Wednesday 7 June. In order to properly organize the trip, we kindly ask that all people willing to participate register their intent by the organizers' desk no later than in the early afternoon of Tuesday 6 June.

**The Organizing committee**
