

- **Overall seem to well reflect the tasks we have asked you to do**
  - Overall, explain better how far you've been able to go with the pillar search and how you would continue
- **Some presentations have some room for improvement**
- **We will be available during coffee and lunch breaks to discuss how to improve the presentations**
- **All groups should be able to finish their presentations today AND enjoy the lectures of today**

Group 1	pillar search
